G/B
              C2(no3)
                                 D7sus
      We are soaked in all the grace that we've been given
G/B
                     C2(no3)
                                      D7sus
       Unchained from all
                             that we have done
G/B
                   C2(no3)
                                  D7sus
      Your mercy's risin' like the sun on the horizon

Verse 1

Α

You shine brighter when we're broken

F♯m7

With our hearts stretched out upon the floor

Α

In our weakness and our failures

F♯m7

Your light shines beauty to this world

Pre-Chorus 1

E A/D

From our broken hearts we're crying out

Chorus

Α

Through the cracks in all of us

Through the fractures and our dust

F♯m7

You shine through You shine through

Δ

In the darkness You're the dawn

Blazing like the morning sun

F♯m7 E

You shine through You shine through

The Heart Of Worship

Words and Music by Matt Redman

```
Verse 1
                    A2
D2
                                        Em7
  When the music fades all is stripped a-way
             A7sus
And I simply come
                                           Em7
D2
                  A2
  Longing just to bring something that's of worth
                    A7sus
That will bless Your heart
Pre-Chorus
Em7
                 D/F#
                             A7sus
    I'll bring You more than a song
                  Em7
                                 D/F#
                                               A7sus
For a song in itself
                     is not what You have re-quired
Em7
                       D/F♯
                                A7sus
    You search much deeper with in through the way things appear
Em7
                  D/F#
                           A7sus
    You're looking into my heart
     Chorus
                              A2/C#
     D2
       I'm coming back to the heart of worship
            Em7
                        D/F#
                               G
                                       A7sus
     And it's all about You
                              all about You Jesus
     D2
                            A2/C#
       I'm sorry Lord for the thing I've made it
                          D/F♯ G
     When it's all about You
                                all about You Je-sus
Verse 2
D2
                   A2
                                         Em7
  King of endless worth no one could ex-press
                   A7sus
How much You de-serve
D2
                                          Em7
  Though I'm weak and poor all I have is Yours
            A7sus
Ev'ry single breath

Verse 1
             D
                         G
When the pieces seem too shattered
     Bm
                    G2
To gather
           off the floor
                          G/D
And all that seems
                     to matter
                Bm
                           Α
                                 G
   that I don't feel You any - more
                             G
   I don't feel You any - more
No
     Chorus 1
                  D
                            G
     I need a reason to sing
                  D
                            G
     I need a reason to sing
                 Bm
     I need to know that You're still holding
                           G
     The whole world in Your hands
                            D
                                 G
                                      D
                                          G
     I need a reason to sing
                           Bm (To Interlude)
Verse 2
           D
When I'm overcome by fear
             Bm
                             G
And I hate every - thing I know
  this waiting lasts for - ever
